

CHRISTMAS TIME IN BARCELONA
(Ignasi Terraza)

Christmas time in Barcelona
Walking the town with you
just few days and such a short time
With So much to do

When night falls, I see the stars shine
I Hold you in these arms of mine
Christmas time in Barcelona
And everything is fine

Walking down through the Ramblas
With Sagrada on the skyline
How many beautiful buildings
So much magic everywhere

exchanging gifts is meant for Christmas
But my favorite gift it's you
Christmas time in Barcelona
will always be for you and me
Christmas time in Barcelona

Coda:
Will always be a time for love.
will always be for you and me
