

Freshly squeezed  
(Ignasi Terraza – Randy Greer)

Verse:

When winter time is coming  
And Christmas joy is here  
It's the season for the oranges  
That I love so much my dear.

But, then comes Suzi Peers  
my very old girlfriend  
asking for a squeeze  
but I'll not fall again. So

A:

listen to me sister  
before we start to swing  
Let me tell you one thing  
I like mine freshly squeezed.

A':

Dig that fresh aroma,  
That magic in the air  
Let me squeeze you mama  
To show how much I care

B:

Oranges and lemons  
and those sweet tangerines  
Beautiful red to yellow  
with all shade's in between, so

A:

listen to me sister  
before we start to swing  
Let me tell you again one thing  
I like mine freshly squeezed

Coda:

And sometimes, just sometimes  
with a little sugar.
